

# \$2.9 Million in Grants Awarded for Second Quarter

## FUNDING GUIDELINES NOW INCLUDE OPERATING SUPPORT

The Iowa West Foundation has announced nearly \$2.9 million in grants for the second quarter of 2011. The grants will be used to assist 31 non-profit organizations and governmental entities with funding for area projects. **This round of Foundation grants includes three to non-profit organizations in need of support for their operations. It's a new direction for the Iowa West Foundation following the approval of updated funding guidelines in 2010.**

"Many charitable organizations have been challenged during tough economic times to raise funding for general operations," said Todd Graham, President and CEO of the Iowa West Foundation, "and our foundation — like others across the country — has recently decided to implement a policy to allow applications for general operating support." He added, "general operating support grants are restricted at this time to Pottawattamie County-based organizations."

Graham highlighted three grants for operating support:

- \$50,000 for the American Red Cross Loess Hills Chapter, which is headquartered in Council Bluffs and serves southwest Iowa;
- \$175,000 to fund core programs at the Council Bluffs location of the Boys and Girls Clubs; and,
- \$62,500 to Promise Partners for its operations and capacity building, including the "Alliance for Youth" in Pottawattamie County.

"A major part of the Promise Partners mission is positive youth development," explained Patricia Russmann, Executive Director, "and our Alliance for Youth operation is a key part of it." She added, "this grant from Iowa West is valuable and appreciated."

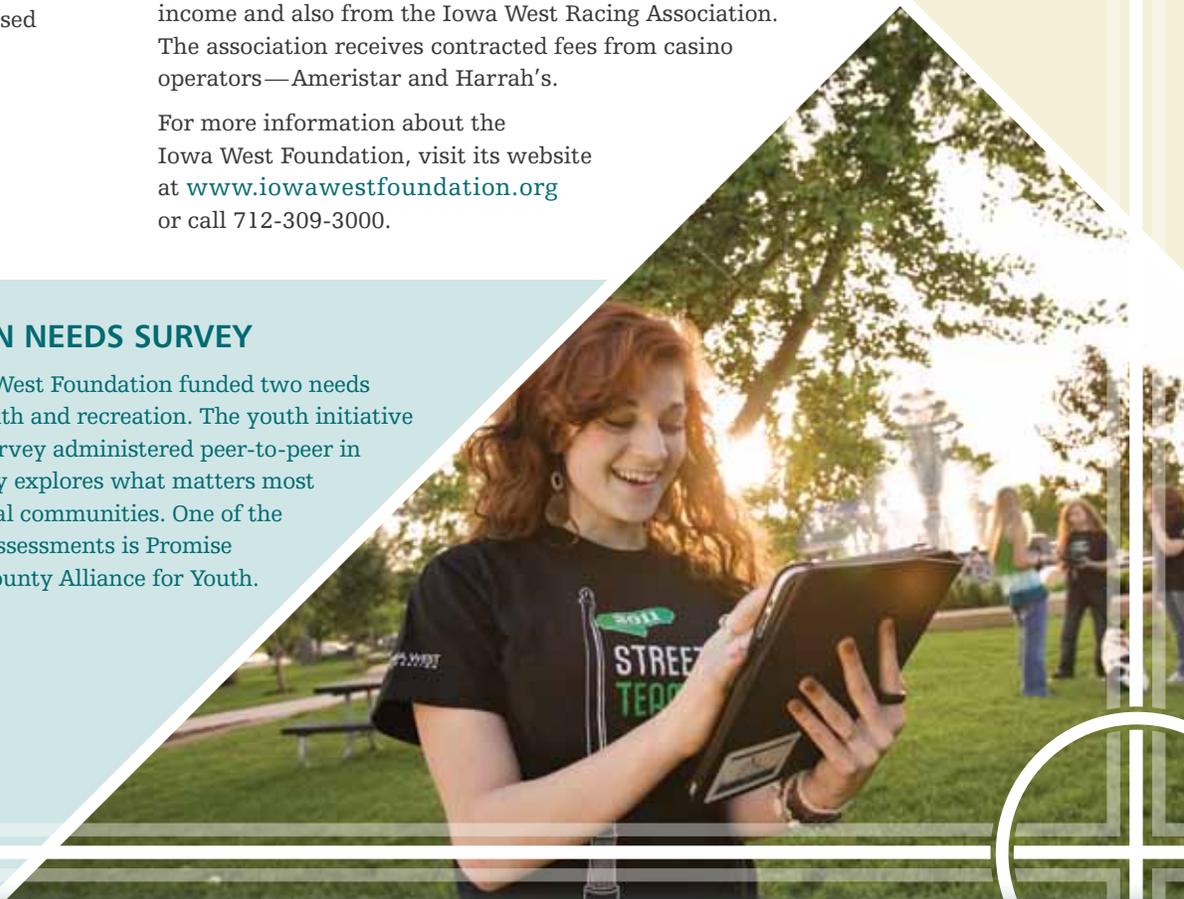

For more information regarding general operating support, visit [www.iowawestfoundation.org](http://www.iowawestfoundation.org), where guidelines can be accessed through the link of "How to Apply."

The Iowa West Foundation, which is headquartered in Council Bluffs, receives its funding for grants from investment income and also from the Iowa West Racing Association. The association receives contracted fees from casino operators—Ameristar and Harrah's.

## YOUTH AND RECREATION NEEDS SURVEY

With \$185,000 in 2010, the Iowa West Foundation funded two needs assessments — in the areas of youth and recreation. The youth initiative part included a comprehensive survey administered peer-to-peer in Pottawattamie County. The survey explores what matters most to youth in Council Bluffs and local communities. One of the organizations assisting with the assessments is Promise Partners and its Pottawattamie County Alliance for Youth.
