

# \$3.4 Million in Grants Awarded for Third Quarter

## INCLUDES \$1.4 MILLION FOR LOCAL DOWNTOWN REVITALIZATION

The Iowa West Foundation has announced \$3.4 million in grants for the third quarter of 2011. The grants will be used to assist 30 non-profit organizations and governmental entities with funding for area projects. **This round of Foundation grants includes \$1.4 million to support the downtown revitalization fund of the Pottawattamie County Development Corporation (PCDC). Many of the projects enhance historic downtown Council Bluffs.**

“Community and economic development is one of the focus areas of the foundation,” said Jerry Mathiasen, Interim President and CEO of the Iowa West Foundation. “This significant grant can help PCDC generate development opportunities and continue stimulating downtown,” he added.

Mathiasen cited four of the fund’s recent redevelopment successes: the 1884 Creston House; the Hughes-Irons building in the historic 100 block; the former International Harvester warehouse; and the original Daily Nonpareil newspaper building. “All are now viable locations of businesses in our community,” he said.

“Iowa West has been generous in providing our nonprofit organization the financial spark for this revitalization fund,” said Amy Recker, PCDC Executive Director, “and we really appreciate this important support for downtown redevelopment and revitalization.”

Mathiasen highlighted two other sizable grants:

- \$825,000 went to the Iowa West Foundation streetscape initiative—in cooperation with the City of Council Bluffs—to beautify major corridors in the community; and,
- A \$515,000 grant to the Loess Hills Chapter of the Red Cross to assist families with flood clean-up in Fremont, Harrison, Mills, and Pottawattamie counties in Iowa, as well as Cass, Douglas, Sarpy and Washington counties in Nebraska.

For more information regarding grant applications and deadlines, visit [www.iowawestfoundation.org](http://www.iowawestfoundation.org), where funding guidelines and procedures can be accessed, or call 712-309-3000.

The Iowa West Foundation, which is headquartered in Council Bluffs, receives its funding for grants from investment income and also from the Iowa West Racing Association. The association receives contracted fees from casino operators—Ameristar and Harrah’s.

Iowa West has provided \$280 million in grants to non-profits and governmental entities since the inception of its grants program in 1996.

## MISSOURI RIVER 2011 FLOOD RECOVERY

One of Iowa West Foundation’s top focus areas is to help meet human and social needs. A \$515,000 grant was given to the Red Cross Loess Hills Chapter in Council Bluffs to help meet the needs of individuals and families negatively impacted by the Missouri River flooding.

The grant included funds to provide for critical client services, clean-up kits, seed money to establish a COAD (Community Organizations Active in Disaster), continued support of cooperative programs, and replenishing supplies that were provided to all of the sandbagging volunteers and National Guard soldiers.
